By submitting your membership application to the Academy you are providing express consent to the use of your personal data by us for the expressed lawful purpose for which it was gathered. All personal data is stored securely and in compliance with the Academy's statutory and regulatory obligations. The Academy does not disclose any personal data to third parties. Where there is a requirement to confirm membership of the Academy to any prospective employer on behalf of a candidate who is a member, the Academy will confirm membership without disclosure of any further information. Your express consent to this confirmation of membership is a condition of membership. The Academy will only disclose membership to authorised personnel in the Human Resources Department of a Company who confirms their data compliance in writing.
